Variable Rate Accounts

- The dividend rate and annual percentage yield may change quarterly as determined by the credit union's board of directors.

Compounding

- Dividends will be compounded quarterly and credited quarterly. The dividend period is a calendar quarter. The dividend declaration date is the date the dividends are posted to the account for the preceding dividend period.

- \$1.00 per month if a statement has been returned.
- After a period of 1 years of no activit, your account will be classified as a dormant, inactive account and a fee of \$5.00 per month will be charged. After a period of three years, the remaining balance will be sent to the Arizona Department of Revenue, Unclaimed Property Division.

Nature of Dividends
